

# 3<sup>rd</sup> Industry 4.0 Symposium

June 5<sup>th</sup>, 2019

Western University  
London, ON

## Call for Abstracts - 3<sup>rd</sup> Industry 4.0 Symposium

Western's Industry 4.0 Network (WIN4.0) invites you to submit an abstract to the 3<sup>rd</sup> Industry 4.0 Symposium to be held at the Western University in London, Ontario. This year we are working collaboratively with the Canadian Society of Mechanical Engineering (CSME) and the Computational Fluid Dynamics (CFD) Society of Canada to hold this CSME-CFD-WIN4.0 joint congress. This year's symposium focuses on Sustainability in the Industry 4.0 Economy.

Abstracts are sought in all areas related to **Industry 4.0**, including but not limited to,

<b>Advanced Manufacturing &amp; Materials</b>	<b>Development of Systems &amp; Software</b>
<b>Advanced Manufacturing Infrastructure &amp; Communications</b>	<b>Business Analytics Mathematical Modelling and Statistical Analysis</b>

### **ABSTRACT SUBMISSION**

The submissions to the Symposium are in one format:

- Abstract only (no paper submission required)

Please use the provided template to do your submission: [Click here to download.](#)

Submission portal and instructions: [Click here to open.](#)
